- (e) A grievance will contain the following information, which will be included on the prescribed form: an explanation of the grievance and a statement of the facts on which the grievance is based; the section(s) of the Agreement allegedly violated; and the remedy being sought.

Section 5.02 – Exclusions

The following will not be subject to the Grievance Procedure:

- (a) Termination from employment during an employee's probationary period (i.e., during an employee's first year after their initial date of hire by the District);
- (b) The non-renewal of any employee on Annual Contract; except as provided in Section 6.225;
- (c) Termination from employment pursuant to FS Section 1012.34(4) or (5).

Section 5.03 – Time Limits in Grievance Procedure

- (a) The time limits contained in this Article may be lengthened or shortened by mutual written agreement of both the District and the Association.
- (b) A grievance not processed within the time limits provided in this Article will be deemed permanently withdrawn and settled on the last action taken by the District. A grievance not answered within the time limits provided in this Article will be deemed to have been answered in the negative, thereby entitling the grievance to be processed to the next step of the Grievance Procedure.

Section 5.04 – Grievance Procedure

- (a) Prior to the submission of a grievance under this Section, the employee should attempt to meet with their immediate supervisor and to engage in informal efforts to resolve the grievance. Nothing contained in this paragraph will release either an employee or the Association from filing a grievance within the time limit contained in Step 1 [*below*].
- (b) Grievances will be processed in accordance with the following procedure:

Step 1

Within ten (10) workdays of the event giving rise to a grievance, or within ten (10) workdays of the date the grievant, using reasonable diligence, should have known of the event, a written grievance will be submitted to the Administrator who is the grievant's immediate supervisor (in most cases, the school-based Administrator of a grieving employee).

The Administrator will consider the grievance, and answer the grievance in writing no later than ten (10) workdays after receipt of the grievance.

Step 2

If the grievance is not resolved at Step 1, the grievant, within five (5) workdays of the Administrator's written answer at Step 1, will submit the grievance in writing to the Superintendent or their designee.

The Superintendent or their designee will consider the grievance and answer the grievance in writing no later than five (5) workdays after receipt of the grievance at Step 2.

Step 3 / Arbitration

If the grievance is not resolved at Step 2, only the Association may give notice of intent to arbitrate within five (5) workdays of the receipt of the Superintendent's or their designee's answer at Step 2. The notice of intent will be served upon the Superintendent or their designee and concurrently filed with the Federal Mediation and Conciliation Service (FMCS).

Section 5.05 – Arbitration Procedure

- (a) The Association's notice of intent to arbitrate will be filed with the FMCS and will request a panel of seven (7) qualified arbitrators.
- (b) An arbitrator will be selected from the panel of arbitrators furnished by the FMCS by the alternate striking of names (with the Association striking the first name) until one name remains. However, in the event the parties to this Agreement believe that the submitted panel is unsatisfactory, the parties may jointly request one (1) additional panel of seven (7) names from the FMCS.
- (c) This Agreement constitutes a contract between the District and the Association and will be interpreted and applied by an arbitrator in the same manner as any other contract under the Laws of the State of Florida. The arbitrator will have no power to add to, subtract from, modify, or alter the terms of the Agreement, but will determine only whether or not there has been a violation of the Agreement as alleged in the grievance.

- (d) The arbitrator's decision will be based solely upon the arguments and evidence presented in arbitration. The arbitrator's decision will be in writing and will be issued no later than thirty (30) calendar days after the close of the arbitration hearing.
- (e) The arbitrator's decision will be final and binding on both the District and the Association, provided that said decision complies with applicable law.
- (f) The cost for the services of the arbitrator (including transportation, lodging and meals, if applicable) will be borne equally by the Association and the District.
- (g) Except for the services of the arbitrator, each party to this Agreement will be responsible for its own costs incurred in arbitration, including, but not limited to, the cost of representation. Either party requesting a transcript of the arbitration hearing will be responsible for the cost of such transcript.

An employee will notify their Administrator not later than forty-eight (48) hours after any criminal arrest or charge involving; the abuse of a child, sale and/or possession of a controlled substance, or any crime listed in FS 435.04(2).

In addition, an employee shall self-report any conviction, finding of guilt, withholding of adjudication, commitment to a pretrial diversion program, or entering of a plea of guilty or nolo contendere for any criminal offense other than a minor traffic violation within forty-eight (48) hours after the final judgment.

Such notification will not be considered an admission of guilt, nor will such notice be admissible for any purpose in any civil, criminal, administrative, judicial, investigatory, or adjudicatory proceeding.

An employee who is found to be in violation of this provision will be subject to discipline up to, and including, termination for cause.

6.015 – Professional Qualifications

- (a) Instructional employees certified for their current position or the position they have been assigned to and notified of for the subsequent school year must maintain the certification status for said position throughout their five (5) year certification period. In their final year of a five (5) year certification, employees must indicate on the Employee Intent Form, their intention to modify their teaching certificate upon renewal.
- (b) Employees may elect to sign an out-of-field agreement, if offered, in order to accept an assignment for which they are not currently certified, as long as the Employment Services Department approves their

Employees who have not met the requirements of their Out of Field Agreement by June 30th for full-year assignments, or by the yearly assignment anniversary date for late-hires, will have disqualified themselves from their current out-of-field assignment and may be terminated for cause unless the out-of-field assignment was initiated by administrator request or due to a reduction in force. The District will not be required to place such employees in another area for which they may be certified.

- (c) Employees will not be involuntarily transferred into another position for which they are not certified.

However, an employee in direct contact with students in remote locations (e.g., classrooms without phones, playground areas, field trips) may use their PECD as they would a classroom phone.
- (b) Nothing contained in this Section will excuse an employee working in correctional facilities from complying with the rules/regulations of those facilities regarding the possession and use of PECD.

Section 6.04 – Storage Space for Personal and/or Instructional Materials

The District agrees to provide teachers with no less than two (2) cubic feet of locked storage space for personal belongings and/or instructional materials. Section 6.051 – Academic Freedom

The parties agree that the exercise of academic freedom and professional judgment by teachers are conducive to maintaining a productive learning environment. The parties also agree that teachers have the responsibility to utilize professional judgment regarding differentiation of instruction. Teachers may also use professional

judgment with supplemental materials that do not supplant the District adopted curriculum as the primary resource.

Further, the parties agree that professional judgment may be necessary to meet the needs of individual students. Teachers are encouraged to be innovative in utilizing multiple techniques to enhance standards-based instruction. Such methods must serve a demonstrated educational purpose and must not impair the teaching process.

The parties acknowledge the School Board's responsibility to establish course and curriculum objectives. Nothing in this section will limit the School Board's right to adopt programs and materials to be used in the District.

The principal of the school or designee must be notified whenever a teacher intends to inject into a course information that may be reasonably anticipated to be controversial.

When such an exception is made the Association will be notified.
- (b) Any such posted vacancies that are replacement positions will be clearly identified as such.
- (c) Upon initial release of staffing units for the next school year, there will be a fifteen (15) workday period when administrators will consider only current instructional employee applicants. Following the 15-day period, all postings will be at-large.

- (g) After the day before the employee's first contract day, an employee may only apply for a voluntary transfer with the permission of the EDHR. If approved, the Business Agent or President of the Association will be informed of the transfer.

Section 6.11 – Involuntary Transfers

- (a) An involuntary transfer is a District-initiated change from one position to another position in the same classification that is vacant in the District. This Section will not apply to situations arising out of the implementation of Federal, State, or local regulations or guidelines governing specific programs. In situations involving an external operator, the Association will be included in the transfer implementation.
- (b) Before imposing an involuntary transfer due to a reduction in force, the District will first seek employees who wish to volunteer to leave the impacted worksite(s) and who are State Certified for a vacant position within the District.

- (h) Any ties in Seniority under this Section will be broken according to Section 7.03 of this Agreement.
- (i) The Involuntary Transfer of an employee for reasons other than a reduction in force will be infrequent and may be initiated by either the District or the Association. - (d) Declining an offered additional school activity position will not affect due consideration for another position.
- (e) With the exception of fee-based programs, all pay will be at the entry level hourly rate of pay of the salary schedule or appropriately placed on the Board approved Grant Salary Schedule for the employee's degree.

Section 6.13 – Notification of Tentative Assignment / Changes in Assignment

- (a) A change of assignment is an administrator-initiated change (e.g., a change in classes, courses, or grade level) in work assignment within the same classification. For District-based positions, this also includes a change in school/worksites. Supervising administrators will make every effort to place employees in positions for which they are State certified.
- (b) Employees will be given notice of their tentative assignment for the next school year on or before ten (10) workdays prior to the last workday of the current school year. When a tentative assignment requires a change from the current school year (e.g., a change in classes, courses, grade level or school/worksites), the tentative assignment will be announced only after the appropriate Administrator has personally consulted with the affected employee.

- (c) Subsequent changes to a tentative assignment may be made only after every effort has been made by the Administrator to consult with the employee(s) involved and to solicit alternative solutions.

Section 6.14 – Changes in Assigned Classroom, Subject, or Grade Level

- (a) An employee required to move from one assigned classroom to another for the following school year, will be given notice not less than five (5) workdays prior to the end of the current school year. If a replacement cannot be identified within two (2) calendar weeks of the notice given by the departing employee, the remaining employee will assume the Job Share position on a full-time basis or will resign from the Job Share position as of the date of the departing employee's resignation/termination. The position will then be treated as a vacancy.
- (g) If the District experiences a reduction in force, Article 7 (Layoff and Recall) of this Agreement will prevail.

Section 6.17 – Work Day

- (a) The employee work day will be seven hours (7) and forty-five (45) minutes. Individual start and end times may be adjusted annually or with the consent of the employee. When the start and end times for the entire staff at a worksite must be changed during the school year, approval must be secured from the Deputy Superintendent of Curriculum and Instruction.
- (b) Each employee will have a supervisory-free lunch period of no less than thirty (30) minutes, except in unusual cases.
- (c) Each employee may take short, personal relief breaks as needed. When engaged with students, the employee may employ any of the following, reasonable methods:

- (e) When the worksite schedule creates a pattern of extension of the work day for any employee, the employee may request that the supervising administrator adjust the schedule to bring it back into compliance with the 7.75-hour limit. In the event that this request cannot be accommodated, the issue will be referred to the Executive Director of Human Resources for resolution.

Section 6.171 – Compensatory Time

- (a) Compensatory time can only be granted by, and used with the advance permission of, the supervising administrator. Compensatory time will be granted and must be used in increments of thirty (30) minutes.
- (b) Compensatory time can only be used when a paid substitute is not required to accommodate the employee's absence or when the absence will not cause additional expense. Compensatory time can be used at all schools and/or District work locations, including those with extended learning time.
- (c) Compensatory time cannot be transferred to another employee, and can only be used by the employee who receives it for their extra work over and above the contract time.
- (d) An employee can accumulate compensatory time up to forty (40) hours, after which the employee cannot receive more compensatory time until they have used banked hours.
- (e) Compensatory time is valid for one year from the date of award and must be used within twelve (12) months. After one year from date of award, compensatory time will be forfeited. Compensatory time will transfer from work site to work site.

- (f) If requested between school years (notwithstanding the District/FDOE adding extended instructional time during the school year), an employee will be transferred to a position at another school within the District for which the employee is certified should the employee be unable to participate in extended instructional time. An employee invoking this right will have no negative impact on their evaluation.
- (g) If more than 25% of the District's elementary schools are designated as additional instructional time schools, the District will not be required to fulfill item (f) above.

Section 6.173 – Sign-in Procedures

- (a) As professional staff, employees are not required to punch a time clock or the modern equivalent of one. Nevertheless, supervisory personnel have a legitimate security interest in knowing the status of their instructional personnel.
- (b) At those worksites where the supervising administrator wishes to have a sign-in procedure, employees will make reasonable effort to comply. The failure to sign in will not in and of itself, be a cause for discipline for attendance. Failure to be at the appointed place of first duty may result in action under the Progressive Discipline System.
- (c) To preclude unnecessary delays, administrators are encouraged to provide multiple worksite locations from which employees can sign in.

Section 6.18 – Preparation and Planning Time

- (a) Administrators will ensure that employees are provided with no less than four and three-quarter (4.75) hours of preparation and planning time per week, to include no less than thirty (30) minutes of preparation and planning time per work day (as defined in Section 6.17 of this Agreement). Increments of time less than twenty (20) consecutive minutes will not be considered in calculating the required daily or weekly amounts under this paragraph.
- (b) The preparation and planning time required by this Section will include individual preparation and planning and no more than thirty (30) minutes per week of collaborative preparation and planning. Collaborative preparation and planning include professional activities required by the Administration of two (2) or more employees to mutually develop their delivery of Intervention/Direct Services as described in the appropriate instructional classification specification.
- (c) Following are examples of the types of activities that should not be used in calculating the preparation and planning time required by this Section: Assigned duties, attendance-required meetings (other than the 30 minutes of collaborative preparation and planning provided in (b) of this Section), attendance-required staffings, mandatory trainings, parent conferences, and supervisory-free lunch (as provided in Section 6.17 of this Agreement).

Section 6.19 – Pre-School-Year Preparation and Planning Time

Unless there is an emergency or other serious situation, employees will be provided two uninterrupted workdays for preparation and planning time during the workdays preceding the return of students at the beginning of a new school year. An administrator may exchange two uninterrupted four-hour blocks of time on different days for one of the aforementioned two workdays.

- (c) At the request of an employee, an Administrator may excuse an employee from school-based in-service training.
- (d) In the event an employee's responsibilities substantially change, the employee and their Administrator will address training needs.

Section 6.21 – Performance Assessment of Supervisors

When an Administrator is responsible for the supervision of ten (10) or more employees, those employees will be provided an opportunity to complete an annual performance survey of the Administrator's performance. This requirement will apply to any Administrator at any worksite who conducts performance evaluations of employees. All performance assessments in this section may be conducted electronically.

Section 6.22 – Performance Evaluation of Employees

- (a) Each employee who has worked half of their annual paid contracted days plus one day (50% + 1 day) will earn a creditable year of service and have a documented performance evaluation (Final Evaluation and Summative Evaluation) completed by a certified Administrator trained in Marion County's instructional evaluation system. Information received, but not directly observed, by the Administrator will be verified by the Administrator and discussed with the employee prior to including the information in any observation and evaluation.
 - (1) During an annual employee orientation, the supervising administrator will orient employees to the instrument used to document any instructional practice observations completed pursuant to this section, rubrics outlining successful performance, and any information regarding process and policy. All such information will be made available to the employee electronically on the District SharePoint site or other appropriate means within the first 20 workdays after the beginning of each school year.

- (2) Lesson Plan, format, content, and structure will be reviewed with employees prior to observation and evaluation.
- (3) Any observation made pursuant to Marion County's instructional evaluation system will be made in a candid and open manner in accordance with the approved rubrics defining performance aligned to the job code of the employee.

 - c. The employee is responsible for addressing any perceived discrepancies with the observing administrator within five workdays (exclusive of days on Board approved leave of absence) of the posting of the observation results unless prevented from doing so due to unforeseen circumstances. Employees may submit documentary evidence in rebuttal of a specific rating for reconsideration by the supervising administrator within this specified time frame using the observation appeal form aligned to the job code of the employee. The supervising administrator will provide a written response to the rebuttal on the observation appeal form within ten (10) workdays of receipt.
- (4) The annual summative evaluation will be weighted with 67% of the rating based on instructional practice observed and documented and 33% of the rating based on the identified student growth or achievement data.
- (5) A copy of the instructional practice portion of the annual summative evaluation will be provided to the employee no later than the last teacher workday of the school year. The employee may request a meeting with supervising administrator to discuss the instructional practice portion of the annual summative evaluation for clarification.
- (6) The student growth portion or achievement of the annual summative evaluation, derived from assessment data provided by the State, and other identified sources if required, will be calculated according to the statistical method and formula developed in collaboration with a Labor/Management Committee, as defined in Section 11.04. Employees will be shown the data used in calculating their student growth or achievement score upon request.
- (7) Employees will complete their roster verification for both FTE periods. Upon completion of this roster, administration will follow up with the employee within ten (10) workdays to review any adjustments to the roster.
- (8) The employee may request a meeting with the supervising administrator to discuss the annual summative evaluation for clarification. An appeal may be submitted only in the case of a procedural error in applying the appropriate data for the employee.

- (9) An employee will have the right to attach a written rebuttal to any performance evaluation placed in the employee's personnel file.
 - (10) An employee will have the right to inspect, review and copy the contents of their personnel file in compliance with Florida Statutes. A representative of the employee's choice may accompany the employee at such inspection and review.

- (1) The mid-year evaluation consists of an instructional practice score and a student achievement score.
 - (2) The resulting average of data tabulation for this score will be communicated to the employee within ten (10) workdays of the completed calculation of the mid-year score unless the supervisor is prevented from doing so due to unforeseen circumstances.
 - (3) Probationary employees who receive any U ratings on the Mid-Term evaluation will be provided assistance, which may include: the assignment of an administrator to respond to any specific assistance requests, arrangement for visits to observe another effective teacher, relief from extra duties that might interfere with normal remediation, and recommendations of programs and/or strategies in the area(s) of need.
 - (4) The employee's progress in correcting any deficiencies noted in the mid-year evaluation data will be reflected through subsequent observations as an aggregate instructional practice score.
- (c) The Association and the District agree that any modifications to Marion County's existing instructional evaluation system will be developed in collaboration with a Labor/Management Committee, as defined in Section 11.04.

Section 6.225 – Consequences of Performance Assessment

- (a) Administrators are encouraged to employ Instructional Leadership strategies and mentoring to develop teachers who are new to the job or are demonstrating areas in need of improvement.
- (b) In cases where such routine developmental strategies are not successful, the administrator will follow the procedures outlined in Section 6.23 – Employee Discipline for Performance.
- (c) All annual contract teachers who have been assessed as "Effective" or "Highly Effective" on the instructional practices portion of Marion County's instructional evaluation system for the current year will have their contracts renewed for the following year, provided that they have not been placed on Step 2 or higher of the Progressive Discipline System, and have not been given punishment under Section 6.235 – Employee Discipline for Misconduct. The provisions of this paragraph are waived in the event that the District has declared a reduction in force. In that case, the provisions of Article 7 – Layoff and Recall will be followed.

Section 6.23 – Employee Discipline for Performance

- (a) Employees must not be disciplined without Just Cause.
- (b) Disciplinary conversations with employees will be addressed in a private setting.
- (c) Members must be allowed the presence and representation of an Association Representative during: any investigatory meeting that may result in employee discipline; and (2) any meeting in which employee discipline is imposed, provided there is no undue delay.
- (d) When job performance is less than effective, school-based administrators will offer assistance to the employee, appropriate to the deficit, prior to implementing the first step of the Progressive Discipline System (hereafter referred to as PDS), except in the cases of immediate concern for student safety or that significantly impact the academic well-being of one or more students. The purpose of the PDS is to assist the employee in understanding that a performance problem exists and that there is an opportunity to correct the problem. A “P” may not be given on any domain of the Final Evaluation unless Step 1 of the PDS (see below) has been initiated. A “U” may not be given on any domain of the Final Evaluation unless Step 4 of the PDS (see below) has been initiated.
- (e) Documented progressive steps (warnings, verbal reprimands, and written reprimands) will not be used as the basis for taking the next step of discipline after the end of the next full school year subsequent to the date of imposition of such discipline.
- (f) The PDS will consist of the following steps:
 - (1) Step 1: The Administrator must meet with the employee, give Verbal Notification regarding the deficiencies in the employee's work performance, discuss the Administrator's specific expectations for improvement, and inform the employee that the meeting is Step 1 of the PDS.
 - a. The identification of deficiencies should relate to the Marion County Instructional Evaluation Instruments.
 - b. Following the meeting, the Administrator must provide an email outlining the conversation to the employee as documentation of Step 1.
 - c. Included in the email will be a review of advice or assistance provided regarding this deficit when applicable.
 - d. Step 1 documentation must not be placed in an employee's personnel file as maintained by the District's Employment Services Division.
 - (2) Step 2: If the identified problem persists, the Administrator must again discuss the problem with the employee and issue a Verbal Reprimand.
 - a. Following the meeting, the Administrator must provide an email outlining the conversation to the employee as documentation of Step 2. Included in this email will be the date on which

the Step 1 discussion was conducted, the date the Verbal Reprimand was issued, and a summary of the Verbal Reprimand.

- b. Step 2 documentation must not be placed in an employee's personnel file as maintained by the District's Employment Services Division.
- (3) Step 3: If the identified problem persists, the Administrator will issue a Written Reprimand.
- a. The Administrator must provide the employee with written documentation of Step 3, and the employee must sign for receipt of such written documentation, provided the documentation specifies that the employee's signature does not indicate agreement with the contents of the documentation, but only that employee has, in fact, received a copy of the documentation.
 - b. Step 3 documentation must be placed in an employee's personnel file as maintained by the District's Employment Services Division.
- (4) Step 4: If the problem persists, the employee must be placed on the NEAT Procedure. A formal letter or memorandum is the means of notifying the employee of their placement on the NEAT Procedure, which consists of the following:
- a. N – Notice: The Administrator must provide the employee with notice of the identified continuing performance problem.

E – Expectation: The Administrator must provide the employee with notice of the Administrator's specific expectations for improvement.

A – Assistance: The Administrator must provide the employee with notice of the personnel and the resources available to assist in the improvement of the employee's performance.

T – Time: After discussion with the employee regarding the period of time in which the employee's performance is expected to be Effective, the Administrator must provide the employee with notice of a reasonable time frame in which improvement to Effective must occur.
 - b. The Administrator must provide the employee with a copy of the required written documentation of Step 4. The employee will sign for receipt of such written documentation, provided the documentation specifies: 1. That the employee's signature does not indicate agreement with the contents of the documentation; 2. That the employee has, in fact, received a copy of the documentation, and 3. That the employee's refusal to sign for receipt of Step 4 documentation may result in additional disciplinary action.
 - c. Step 4 documentation must be placed in an employee's personnel file as maintained by the District's Employment Services Division.
- (5) Step 5: If the employee's performance in the noted areas has not improved to an Effective level by the conclusion of the NEAT Procedure, further remedial and disciplinary action must be taken in accordance with FS 1012.34.

- (g) Notification to the Association of any employee discipline will be at the discretion of that employee. A statement advising the employee of their right to notify the Association will be included in each notice of disciplinary action.

Section 6.235 – Employee Discipline for Misconduct

- (a) Employees must not be disciplined without Just Cause. During the investigative stage, an employee may be placed on Administrative Leave. Such action must be documented in writing and a copy must be provided to the employee.
- (b) Disciplinary conversations with employees will be addressed in a private setting.
- (c) Nothing contained in Section 6.230 will be interpreted to preclude the District from issuing appropriate discipline (e.g., Verbal Reprimand, Written Reprimand, Suspension without Pay, Termination from Employment) in response to misconduct other than that associated with job performance as outlined in the appropriate Marion County Instructional Evaluation Instruments.
- (d) Generally, the District will follow a policy of corrective and progressive discipline (e.g., Verbal, Reprimand, Written Reprimand, Suspension without Pay, Termination from Employment) whereby less severe forms of discipline are issued prior to resorting to the imposition of more severe sanctions for the same or similar misconduct.
- (e) However, the District specifically reserves the right to issue discipline up to, and including, termination from employment in response to a first occurrence based on the specific facts of the case.
- (f) Discipline imposed under this section must be documented. When such discipline includes Written Reprimands, Suspension without Pay or Termination from Employment, a copy of said action must be placed in the employee's Personnel File as maintained by the Employment Services Division. Administrators must document conversations regarding verbal reprimands in an email following the meeting.
- (g) Notification to the Association of any employee discipline must be at the discretion of that employee. A statement advising the employee of their right to notify the Association must be included in each notice of disciplinary action.

Teachers will do so on the automated system established for that purpose as soon as practicable following the precipitating event. In accordance with F.S. 1003.32(3), the teacher may recommend an appropriate consequence consistent with the District's Code of Student Conduct, and will provide the DDA with full particulars on the reason(s) for the referral. If the principal determines that a lesser disciplinary action is appropriate, the principal will consult with the teacher prior to taking disciplinary action.
- (e) Any action to be taken in response to the teacher's issuance of a referral of a student will be made available to such teacher.
- (f) An employee whose student has been arrested for any type of felony charge will be notified as soon as possible after the District learns of such arrest. Such notice will be treated as privileged and confidential information.

Section 6.27 – Removal of Students Pursuant to District Authority

- (a) A teacher may send a student to the Designated Disciplinary Authority (DDA) to maintain effective discipline in the classroom and may recommend an appropriate consequence consistent with the District's Code of Student Conduct using the referral process outlined in Section 6.26(d), above.
- (b) A student removed from a classroom pursuant to (a) of this Section will remain out of class until the teacher and the DDA have discussed the student's behavior.
- (c) When a teacher deems that sending a student to the DDA is not in the best interest of the student and/or the school, the teacher will contact the office to request the removal of the student. The DDA or designee will provide a timely response to the request based on the circumstance.

Section 6.28 – Removal of Students Pursuant to Statutory Authority

- (c) If a teacher removes a student from class under FS 1003.32(4), the student may not be returned to that teacher's class without the teacher's consent or unless the Placement Review Committee established under FS 1003.32(6) determines that such placement is the best or only available alternative. The teacher and the Placement Review Committee will render decisions within five (5) workdays of the removal of the student.
- (d) Any teacher who removes 25% of their total class enrollment will be required to complete an Individual Professional Development Plan to improve classroom management skills.

Section 6.29– Complaints Against Employees

 - (1) When a complaint has been made, the Administrator will begin a preliminary investigation into the allegation.
 - (2) Once determined necessary, a meeting will be conducted between the employee and their Administrator to inform the employee of the complaint, and the identity of the complainant unless they are unknown or the supervisor is not legally able to do so. The employee will be told the purpose of the meeting in advance. Members may request union representation at this meeting. The employee will be afforded an opportunity to present their response to the allegation(s).
 - (3) All information obtained pursuant to an investigation is confidential and exempt from inspection or copying until the investigation closes, or until the District provides notice to the employee who is the subject of the complaint per F.S. 1012.31 (3)(a)1.
 - (4) If the complaint is between employees, an administrator may arrange a meeting with the involved parties. The purpose of the meeting is to hear, discuss, and resolve or dismiss the complaint. The Complainant's failure to cooperate in the resolution of the complaint may result in the dismissal of the complaint. Members may request union representation at this meeting.
- (c) Any disciplinary action taken by an Administrator in response to a complaint under this Section will be in accordance with Section 6.230 or 6.235 – Employee Discipline.
- (d) If documentation of disciplinary action has been placed in the employee's personnel file, the employee may attach a written response.
- (e) The initiation of a complaint by an employee will not result in any retaliation.

Students will be assigned equitably to classes based upon their behavioral and/or academic characteristics.

- (c) Students enrolled after these class lists have been constructed will be placed according to the Class Size Reduction guidelines and guidelines contained in Paragraph (b) of this Section.
- (d) In the event that the receipt of school records is not timely, the teacher, based upon the total classroom composition, will advise the administration regarding specific behavioral and/or academic characteristics that may indicate alternative placement.

Section 6.32 – Parent/Guardian Classroom Visits

- (a) Visits to a classroom by parents/guardians will occur only after a 24-hour notice has been given to the teacher and the guidelines for classroom visitation by the parent/guardian have been reviewed and signed. This notification will provide the teacher sufficient time to minimize the disruption of classroom activities. Teachers may request an alternate visitation date due to planned classroom activities (e.g., testing, lab/experiment, presentations).
- (b) Audio and video recording and monitoring in a classroom or assigned workspace will require teacher and supervisor consent, unless otherwise required for security reasons, law enforcement uses permitted by statute, or the instructional needs of exceptional students.

Section 6.325 – Educational Professionals Classroom Visits

It is understood that the job duties of global school personnel require them to be in classrooms to support teachers in maximizing student achievement in a non-evaluative capacity. These visits will occur at various times throughout the school year.

- (c) For the final grading period, Administrators will determine the date by which grades will be finalized. However, Administrators may not require the finalization of grades earlier than four (4) student days

If the employee accepts assignment to such a vacancy, the employee will have no further recall rights.

- (f) Donated sick leave will be used in the order in which it was donated. Any donated sick leave that remains unused after the recipient either returns to duty or is terminated from employment will be returned to the donor(s) from whom it came.
- (g) An authorizing employee under this paragraph will retain at least ten (10) days of sick leave when donating sick leave to another employee.
- (h) The maximum number of days that may be received under this program will be equal to the number of workdays remaining in the recipient's contract year.
- (i) Subject to a renewed physician's statement, up to one additional contract year may be received through donation.

 - (4) Sufficient days exist in the Bank to cover the days requested
 - (5) The employee is not drawing Worker's Compensation from the District; and
